

Paste Services International is committed to providing a workplace where the risks arising from COVID-19 are minimised.

Paste Services International recognises that COVID-19 presents unprecedented challenges and requires a balance between community welfare and business continuity, while maintaining the health and wellbeing of our team and clients.

Paste Services International are continuing to operate, while adhering to Federal and State Government requirements.

Paste Services International will:

- monitor, communicate and comply with all directions made under the *Emergency Management Act 2005 (WA)* and by the Federal and State Governments;
- comply with our client requirements for management of COVID-19;
- support our people required to self-isolate by enabling them to utilise accrued leave and take leave without pay where necessary;
- promote good hygiene practices and encourage regular hand washing;
- ensure our premises are regularly cleaned and hand sanitiser is readily available; and
- maintain required records, including contact registers and vaccination status.
